The Victorian Tertiary Admissions Centre (VTAC) will be holding an open community information session. The session will cover information about applying to Universities, TAFEs and Independent Tertiary Colleges within Victoria; as well as information about the ATAR, scaling, special consideration, scholarships and offers.

This event will be of particular relevance to students currently completing VCE who are considering their post-Year 12 study options and their parents, as well as anyone in the community considering further study as a mature age applicant. Students in Years 9-11 and their parents may also find the session helpful when choosing subjects for VCE.
