

SKILLSPARK DICTIONARY

For teachers and students

Struggling to understand the areas of attributes in the SkillSpark tool? Look no further! Here are some handy prompts to assist your understanding of a Tenacious Learner and Engaged Citizen.

Engaged Citizen

An Engaged Citizen means understanding yourself and the people around you, respecting everyone's beliefs, and acting with independence and responsibility. It is about what you do in and outside of the classroom that showcases the attributes of an Engaged Citizen.

Attributes

Autonomy | Personal Responsibility | Ethics | Citizenship | Courage | Empathy

What can it look like?

Respecting the rights of everyone equally	Engaging in local and global issues
Maintaining motivation despite challenges	Trying to understand the world around you
Acting in a responsible manner	Valuing yours and others culture

Tenacious Learner

A Tenacious Learner believes in themselves and their ability to reach their goals. They stay motivated even when faced with setbacks or challenges. It is about the barriers or challenges you have had to face, overcome, persevere and be resilient through.

Attributes

Strategy | Determination | Vision | Tenacity | Resilience | Confidence

What can it look like?

Setting goals	Devising a strategy to achieve your goals
Learning from experiences and setbacks	Maintaining motivation despite challenges
Accepting help to achieve your goals	Staying focused on your goals
