VTAC ANNOUNCEMENT

I am pleased to announce that Teresa Tjia has been appointed inaugural Chief Executive Officer of the Victorian Tertiary Admissions Centre (VTAC).

With 30 years of senior executive and leadership experience in the higher education sector, Teresa has built a remarkable record for successfully guiding major organisational, digital and service transformation projects. Her exceptional understanding of the student and admissions lifecycle, the extensive networks she has established across universities, TAFE institutes and private providers through decades of collaboration, and her unwavering commitment to students and quality education outcomes mean she is superbly placed for this appointment.

Teresa is presently Dean of Students and Registrar at Federation University. Previously she has served as Vice-President Planning, Registrar and University Secretary at Victoria University, and Director of Student Management Services and Deputy Academic Registrar at the University of Melbourne. Teresa also has leadership, governance and board experience with a range of community organisations.

At this pivotal time in VTAC's evolution, Teresa will bring the energy, engagement and expertise crucial to further develop and implement VTAC's strategy and growth in the coming years.

Teresa is very much looking forward to working with the VTAC team and sector stakeholders and building on the excellent work already underway when she commences in the CEO role on 11 May 2022.

I am sure you will join me in offering Teresa a very warm welcome to VTAC.
