November/December 2017

## VICTORIAN TERTIARY ADMISSIONS CENTRE

40 Park Street, South Melbourne VIC 3205

Telephone: +61 3 9926 1020

www.vtac.edu.au

## Release of ATARs

### Accessing your VCE results and ATAR

VCE Results, ATARs and VTAC scaled study scores can be accessed from 7 am on Friday 15 December 2017 until 5 pm Wednesday 20 December 2017 from the [Results and ATAR website](#) and the VCE Results and ATAR app. This free app is available for download from the Apple App Store or Google Play. Search for 'VCE Results and ATAR'.

To access their results and ATAR, a student will need their VCE student number and Results Service PIN. The results service PIN is set to a personalised default combination and students are strongly encouraged to change it well before 15 December. Visit [resultsandatar.vic.edu.au](http://resultsandatar.vic.edu.au) to do this. Students should keep their VCE student number and Results Service PIN in a secure place.

For information about other methods of accessing results, please refer to the VCAA or VTAC websites.

### Just want to get your ATAR?

There are even more ways for VTAC applicants' to get their ATAR, from 7 am on Friday 15 December 2017:

- VTAC app: Applicants can update and log into the VTAC app using their VTAC number and VTAC PIN
- Go to [www.vtac.edu.au](http://www.vtac.edu.au): Applicants can log into their VTAC account (using their VTAC number and VTAC PIN) and follow the prompts.

Students who have applied for tertiary study and paid their VTAC processing fee will also receive a copy of their ATAR statement in the mail on Monday or Tuesday of the following week.

## The Post Results and ATAR Service

The Post Results and ATAR Service (PRAS) is a joint enquiry service operated by VTAC and VCAA. It provides a single phone number and email address that can be used for questions about both the ATAR and VCE results in the five days immediately following their release. In 2017, PRAS will operate from 7 am to 5 pm Friday 15 December and from 9 am to 5 pm Saturday 16 to Tuesday 19 December.

Telephone: (03) 9032 1717 (metropolitan callers) or 1800 653 080

Email: [pras@edumail.vic.gov.au](mailto:pras@edumail.vic.gov.au)

You cannot access results through PRAS.

Part of the PRAS is a joint blog which operates until January, with content from VCAA and VTAC about VCE Results and the ATAR. The 2017 PRAS blog is now available at:

[resultsandatar.wordpress.com](http://resultsandatar.wordpress.com)

Both VCAA and VTAC will post to the blog from now through the results release period, covering topics such as how to understand statements of results, scaling, statistical moderation and change of preference. Students can enter an email address to subscribe for notifications of new posts

## Change of preference

With the release of VCE results and ATAR, students may wish to reconsider their course preferences prior to the first round of tertiary selection and offers.

Preferences can be changed as many times as the applicant chooses, free of charge and up until the closing date.

The Change of Preference period for VCE (including VCAL) students closes at 12 noon, Wednesday 20 December. International VCE applicants have different deadlines to accommodate early offers, which are outlined on the VTAC website.

Change of Preference will reopen Thursday 4 January 2018 from 10 am–4 pm to accommodate IB, international, and WA applicants, who do not receive their results until late December and early January.

## New policy

**ATAR 2019: Changes to how unscored studies contribute to the ATAR**

Read more on page 2

## New Policies

### ATAR 2019: Changes to how unscored studies contribute to the ATAR

From 2019, the rules on how unscored studies can contribute to the calculation of the ATAR will be amended.

Unscored increments which previously contributed the average of the primary four, including those for unscored VCE VET and VFE block credit, will instead be calculated using 10% of the lowest study score of the primary four.

Research undertaken by VTAC indicated that using the lowest scaled study score of the primary four, rather than the primary four average, was a closer match to what occurs for students with scored studies.

It also showed that using the lowest study score of the primary four will ensure students with an unscored fifth or sixth increment are not disadvantaged over those who take a scored increment.

This change **does not** apply to higher education increments as part of the VCE or to the Legitimate One Year increment.

## Policy reminders

### Early international offers to include NSW, ACT & Qld

*Originally published in September-October 2017*

Early international offers will be made on Wednesday 20 December 2017.

In previous years, only international VCE students were eligible for this round. This year, we will also include early offers to international current Year 12 students from other states and the territory where results are available in time for consideration by institutions. These are New South Wales, the Australian Capital Territory and Queensland.

Change of preference closing dates for international current Year 12 applicants:

Vic., NSW, ACT	4 pm, Friday 15 December
Qld.	4 pm, Saturday 16 December
All other states (not eligible for early offers)	12 pm, Wednesday 20 December

Note: These dates refer to students of state curricula only. IB results are not available in time for the Early International Round.

### Post Round 1 applications: dates released

*Originally published in September-October 2017*

From this year onwards, new course applications will be accepted after Round 1 offers are released. Not all courses will be available at this late stage—popular courses may have already reached capacity.

Students who have forgotten to make an application, or had a last-minute change of mind and wish to study in Victoria, will be able to create their application from the VTAC website.

The Post Round 1 processing fee is \$53.00.

Opens: 17 January 2018 (10 am)

Closes: 22 January 2018 (5 pm)

# New, cancelled and amended courses

Course updates are regularly added to the VTAC website: [www.vtac.edu.au/courses-inst/courseupdates](http://www.vtac.edu.au/courses-inst/courseupdates)
