Box Hill Institute

General Principle of Admission Policy

Many TAFE certificate I-IV courses have no prerequisites. Some diploma/advanced diploma courses will require the completion of pathway courses first, such as a certificate III or IV in the same course area.

The eligibility requirement for most degree courses is a study score of at least 20 in VCE English (any) Units 3 & 4. In addition, some degree courses also require studies in VCE Units 3 & 4 Mathematics, Chemistry or Art.

Box Hill Institute encourages all applicants who do not satisfy course entry requirements to undertake some TAFE pathway or preparatory studies.

Folios, Auditions & Interviews

Some courses do require applicants to meet folio, audition or interview requirements. Other courses may simply require applicants to attend an information session, or submit a supplementary application form.

Auditions: Applicants are usually required to demonstrate their proficiency as a musician/artist. See our online audition guide, at http://www.bhtafe.edu.au/courses/CI/Pages/auditions-interviews.aspx

Folios: The folio should usually contain work demonstrating the applicant’s conceptual, creative and technical ability.

Interviews: Applicants are usually asked a series of questions relating to their suitability for the course, demonstration of clear career goals, citing of any relevant industry experience, and their general aptitude for the course.

Visit www.boxhill.edu.au, or contact 1300 519 694 for further information.

Each course at Photography Studies College (PSC) has its own entry requirements. For course details and information regarding eligibility, enrolment processes, selection criteria and how to apply, go to www.psc.edu.au or email info@psc.edu.au

Applicants are selected on the basis of meeting minimum tertiary entrance requirements, attending an interview and presenting a visual folio.

**Detail of Folio Preparation**

Applicants’ folios will demonstrate their engagement with photography and showcase their skills, strengths, imagination and personal motivation for study. PSC runs regular workshops in folio preparation for potential applicants, contact the College for more information.
RMIT will admit students on the basis of satisfaction of their demonstrated capacity to succeed in their chosen course. Applicants must satisfy the relevant prerequisite studies and all other selection requirements for their course of interest.

Selection requirements

In addition to the general entrance requirements, some courses may have other requirements including (but not limited to):

- Form/Kit
- Interview
- Folio, folio presentation
- Course specific or other admissions test
- Personal statement

The purpose is for an applicant to show that they have a good understanding of, and a strong desire to study the course they have applied for. Detailed information about selection requirements will be available in the individual course entry on the VTAC website.

Detail of Folio/Preparation requirements

Where applicants are required to submit a folio, generally the folio should comprise 10 to 30 pieces of original personal work. The folio could contain a variety of personal work in art, design or media which demonstrates the interests, creative thinking and conceptual, design and technical skills of the applicant. Examples of work may include are drawings, paintings, graphic designs, photographs, digital images, models, sculpture, audio or video, scripting, short stories and/or 2D and 3D flash animation. For design courses the folio presentation is an opportunity to present a folio of your work. Applicants may be asked to discuss their pieces of work, outlining why they chose a particular topic, what they were trying to achieve and the process undertaken to achieve the final product. In some cases selection staff may also ask about designers or areas of design that interest or inspire. Folio presentations are conducted in a friendly and supportive manner and are normally expected to take approximately 15 to 20 minutes. Applicants will be notified directly by RMIT as to whether or not they have been invited for a folio presentation. This notification will also include details of the folio presentation, and any further information.

Detail of Interview/Preparation requirements

Interviews are part of the selection process for some courses. The interview process is an opportunity for applicants to demonstrate their understanding, ability and motivation for the course for which they are applying. During the interview, applicants present to a panel consisting of selection staff from the course to which they have applied. Applicants are asked questions about their work and interests in line with the selection criteria. Interviews are conducted in a friendly and supportive manner and are normally expected to take approximately 15 to 20 minutes.

Applicants will be notified directly by RMIT as to whether or not they have been invited for an interview. This notification will also include details of the interview and any further information.

### General and Special Principles of Selection

Swinburne University of Technology has general principles of selection, which apply for entry to all undergraduate courses, while other courses have specific selection criteria. Information on the criteria for selection will be outlined in the essential requirements and admission criteria sections on VTAC Course Search.

Note: a study score of at least 30 in English (EAL) or 25 in English other than EAL is a minimum prerequisite for most Swinburne undergraduate courses. For details about Vocational Education (VE) course requirements please visit [www.swinburne.edu.au/future](http://www.swinburne.edu.au/future)

William Angliss Institute is a specialist centre for foods, tourism, hospitality and events training. Within our specialisations, the Institute offers a full complement of programs from VCAL and VET in Schools through to Certificate, Diploma and Degree programs. Our programs have varying entry requirements in relation to literacy, numeracy and the completion of pathway courses first. Some courses require that applicants attend an interview and submit a supplementary form whereas others require applicants to simply submit a supplementary form.
