

**Attachment 2: The 2023 International Baccalaureate and Notional ATAR table for IB outside Australia**

This table converts an IB score to a notional Australian Tertiary Admission Rank (ATAR) value for the 2023-24 selection year.

This table is to be used for passing IB Diploma students, who undertook the IB outside Australia.

| <b>IB Score</b> | <b>ATAR</b> |
|-----------------|-------------|
| 45              | 99.95       |
| 44              | 99.70       |
| 43              | 99.25       |
| 42              | 98.80       |
| 41              | 98.15       |
| 40              | 97.30       |
| 39              | 96.35       |
| 38              | 95.30       |
| 37              | 94.25       |
| 36              | 92.85       |
| 35              | 91.50       |
| 34              | 90.15       |
| 33              | 88.30       |
| 32              | 86.30       |
| 31              | 84.30       |
| 30              | 82.40       |
| 29              | 80.10       |
| 28              | 77.80       |
| 27              | 75.55       |
| 26              | 73.00       |
| 25              | 70.25       |
| 24              | 67.85       |
