

Victorian Tertiary Admissions Centre

Current School Leaver Prerequisite checking from 2021 Selection

Allowing for home-state rules regarding the concept of "pass", and the type of jurisdictional results used (score, grade, scaled score), the following grade equivalences have been created by the Australasian Conference of Tertiary Admission Centres (ACTAC) for use by state Tertiary Admission Centres. **The values in red are considered "non-passing grades".**

The conversions in this document are used in Victoria for the purposes of prerequisite testing only. The grade/score conversions should not convey an indication nor an implied understanding that the associated results in different jurisdictions are identical or of equivalent standard.

Grade equivalencies are presented by jurisdiction in the following order:

- New South Wales
- ACT
- Tasmania
- Western Australia
- Queensland
- South Australia / Northern Territory
- International Baccalaureate
- New Zealand (NCEA)
