

Lowest selection ranks for courses participating in the December domestic offer round

This file contains a list of courses which made offers to domestic applicants in the December round, and their associated lowest selection rank.

The lowest selection rank includes an applicant's ATAR plus any adjustment factors such as special consideration. This is the minimum selection rank required to have been made an offer in this course. Further offers for all courses will be made in the January round, so the lowest selection rank for the December round may not reflect the overall selection standard of the course. The lowest selection rank from January 2019 is available via VTAC CourseSearch.

N/P = Not published, course did not use ATAR for selection

L/N = Low number, less than 5 offers were made
