## VTAC Briefings July and August 2006

This schedule is accurate as at Tuesday 23 May 2006. The dates will not change, however sessions will only run if numbers are sufficient. Please confirm all details in the July, 2006 Bulletin.

Last year metropolitan sessions filled early, overcrowding is a potential fire hazard, as a result, numbers will be strictly monitored.

Registrations for the VTAC Briefings will open on Tuesday 13 June and close on Friday 7 July at 2pm.

To register go to VTAC CourseLink, Teacher Access and follow the prompts.
