## Supplementary offers

This year for the first time, applicants who have not received an offer in any of the previous three tertiary offer rounds (Early, Main round and Round two); have not been granted an Irregular Offer AND have given VTAC permission to release their application to all courses with vacancies may be eligible to receive a supplementary offer.

### How does the process work?

After course selection authorities have considered the eligible applications they will advise VTAC whether they wish to make any supplementary tertiary offers.

Supplementary offers will be on **Wednesday 17** and **Wednesday 24 February 2010** and will not be based on the traditional preference system. This means you may be made an offer for more than one course in each of the offer rounds.

VTAC will advise applicants of supplementary offers via MyInfo as well as sending an offer letter by mail.

To reject an offer do nothing. To accept an offer the applicant must follow the instructions outlined in the offer message.

“Applicants can check their supplementary offer status and update it by going to MyInfo and following the links.
