VTAC Guide 2015 – important amendments for international applicants

There are several errors in the VTAC Guide 2015 affecting international applicants. Please take note of the following amendments.

On page 1 of the Guide in the *Dates and fees* table, please note that under Payments where it states 'Payment deadline for early international offers in Dec 2014', it should read 'Payment deadline for international VCE applicants'.

On the same page under Change of preference, the line reading 'November-December for early international offers' should read 'November-December for international VCE applicants'.

On page 62 where it states:

"If you wish to also be considered for courses lower on your preference list than the early offer you have received, change your preferences by moving the course that you have been offered to the lowest preference place by the close of change of preference."

it should read:

"If you wish to be considered for courses lower on your preference list than the early offer you have received, you can apply using the Negotiated offer process."

For more information see *Other offer processes: Negotiated offer process* on page 62 of the Guide, or visit <http://vtac.edu.au/results-offers/offers.html>
