

Policy and procedure updates

Change of preference/negotiated offers

*Published originally in August 2015
To be implemented January 2016*

Negotiated Offers will no longer exist for course applications from 2015 onwards. Instead, Change of Preference will be reopened between offer rounds.

In previous years, course preferences could not be changed after December, and Negotiated Offers were a parallel process that ran after the first offer round whereby applicants could request, one course at a time, offers for lower preference courses, or courses not on their preference list. From this year onwards, applicants who have changed their mind about which course they want to study will simply

adjust their preferences after an offer round, irrespective of whether or not they have received an offer.

This change does not affect the Supplementary Offers process.

Change of Preference will close a few days prior to each offer round and reopen the day after each offer round (until the last round). Previously, rounds 1 and 2 were general offer rounds, and rounds 3, 4, and 5 existed only to formalise Negotiated and Supplementary Offers. Now, applicants will be able to change their preferences between all 5 offer rounds, and receive offers in all five rounds (if selected by institutions).

For a full list of Change of Preference dates see: <http://vtac.edu.au/dates.html>

New VCE subject

Published originally in August 2015

The following study has been introduced by the VCAA:

- Algorithmics

As well as being a standalone subject it sits within the IT studies group.

VCE over 3 or more years

Published originally in August 2015

The following institutions have confirmed that students who take three or more years to complete their Units 3 and 4 will not be disadvantaged in selection:

- Australian Catholic University
- Australian Maritime College
- Charles Sturt University
- Federation University Australia
- La Trobe University
- Monash University
- Swinburne University
- The University of Melbourne
- Victoria University

VTAC is not aware of any institution that holds a policy that would disadvantage such students.

Existing policies

Contribution of VFE Block Credit towards the ATAR

Published originally in [February 2014](#)

To be implemented December 2015.

The rule regarding the use of VCAA granted VFE Block Credit, at unit 3-4 level, was first implemented in December 2011. It stated that:

When calculating an ENTER for a student who has previously been awarded an ENTER, previously obtained VCE and VCE VET results will take precedence over later VFE Block Credit results.

The rule was reviewed in 2013 by the VTAC Scaling Committee because of perceived unfairness and unnecessary complexity. As an example, two students with the same results apart from the year of their VFE block credit could receive different ATARs. Similarly, two students with identical results but in a different order may also receive different ATARs. This situation was considered unfair.

In 2013, the VTAC Scaling Committee simplified the rule so that it did not depend on the existence of a previous ATAR or the order in which studies results were achieved. It now states that:

VCE and VCE VET results will take precedence over VFE Block Credit results.

The amended rule will come into effect for the calculation of 2015 ATARs.

Under the new conditions, VFE block credit can still be used in the calculation of the ATAR. However, it can only be used in the calculation of an ATAR if there are fewer than 6 VCE or VCE VET studies available. If there are 6 or more VCE or VCE VET studies available, a VFE block credit result cannot be used.

Policy definitions

Legitimate one year VCE student

All VCAA designated rules for the classification of a legitimate one year VCE student must be satisfied prior to any year 11 VCE block credit being granted.

Check the VCAA, VCE and VCAL Administrative Handbook for the latest information.

Unlike VCE students, legitimate one year students have had no opportunity to undertake a sixth study in a previous year, which would otherwise contribute to the calculation of the ATAR.

To address this, VTAC provides them with an increment, in lieu of a 6th study so long as they have VCAA results of 5 scored sequences at 3/4 level.

Students with one or more of the following are ineligible for this increment:

- A VET increment available
- Units 1 and 2 results from the VCAA
- A higher education increment
- Block credit at Unit 3/4 level
- Have transferred into a VCE program from an IB program (in Victoria)

Tertiary education definition of an International Student

To apply for international fee places through VTAC, a student must be holding or obtaining an Australian temporary resident/student visa and be:

- a current student of a standard Australian Year 12 program (e.g. VCE) or International Baccalaureate in Australia or New Zealand; or,
- an international student currently enrolled at The University of Melbourne applying to transfer to another course at The University of Melbourne; or,
- a temporary resident or someone who is planning to obtain a student visa who is currently studying or has finished the NCEA in New Zealand with no tertiary studies applying to Monash University.
- International students not listed above must apply direct to the institution.

The major studies for this course now read: Accounting, Big data and business analytics, Business administration, Business analysis and system design, Commercial law, Data management, Economics, Entrepreneurship and innovation, Finance, Human resource management, Information systems, International business, Logistics and supply chain management, Management, Marketing, Tourism management.			
3400234701, 3400234703	Civil Engineering/Business	Hawthorn	July 2015
The major studies for this course now read: Accounting, Business administration, Commercial law, Computer-aided engineering, Construction, Cost engineering, Design of concrete structures, Design of steel structures, Economics, Engineering management, Entrepreneurship and innovation, Finance, Geotechnical engineering, Human resource management, Information systems, Infrastructure design project, Infrastructure management, International business, Logistics and supply chain management, Management, Marketing, Project management, Road and transport engineering, Structural design low rise building, Structural mechanics, Sustainable design, Topographical engineering, Tourism management, Transport engineering, Urban water resources, Water and environmental engineering.			
3400236041, 3400234773	Computer Science	Hawthorn	July 2015
The major studies for this course now read: Algorithms, Computer systems, Cybersecurity, Data science. Games development, Network design, Software development.			
3400210141, 3400210143	Design - Dean's Scholarship	Hawthorn	July 2015
The qualification for this course has changed from Bachelor of Design or Bachelor of Film and Television (various) to Bachelor of Design (various).			
The major studies for this course now read: Branded environments, Communication design, Digital media design, Industrial design, Innovation and design, Interior architecture.			
3400234131, 3400234133	Design - Vice-Chancellor's Scholarship	Hawthorn	July 2015
The qualification for this course has changed from Bachelor of Design or Bachelor of Film and Television (various) to Bachelor of Design (various).			
The major studies for this course now read: Branded environments, Communication design, Digital media design, Industrial design, Innovation and design, Interior architecture.			
3400234251, 3400234253	Electrical and Electronic Engineering	Hawthorn	July 2015
The major studies for this course now read: Electrical engineering, Electronics and computer systems, Networks, Telecommunications.			
3400234301, 3400234303	Electrical and Electronic Engineering/Business	Hawthorn	July 2015
The major studies for this course now read: Accounting, Business administration, Commercial law, Economics, Electrical, Electronics and computer systems, Entrepreneurship and innovation, Finance, Human resource management, Information systems, International business, Logistics and supply chain management, Management, Marketing, Networks, Telecommunications, Tourism management.			
3400210031, 3400210033	Engineering - Dean's Scholarship	Hawthorn	July 2015
The qualification for this course has changed from Bachelor of Aviation or Bachelor of Engineering (Honours) (various) to Bachelor of Engineering (Honours) (various). The minimum duration is now 4 years.			
The major studies for this course now read: Biomedical engineering, Civil engineering, Construction engineering, Electrical and electronic engineering, Mechanical engineering, Product design engineering, Robotics and mechatronics, Software engineering.			
3400234531, 3400234533	Engineering - Vice-Chancellor's Scholarship	Hawthorn	July 2015
The qualification for this course has changed from Bachelor of Aviation or Bachelor of Engineering (Honours) (various) to Bachelor Degree (Honours) in Engineering (Honours). The minimum duration is now 4 years.			
The major studies for this course now read: Biomedical engineering, Civil engineering, Construction engineering, Electrical and electronic engineering, Mechanical engineering, Product design engineering, Robotics and mechatronics, Software engineering.			
3400234721, 3400234723	Games and Interactivity/Computer Science	Hawthorn	July 2015
The major studies for this course now read: 3D modelling, Algorithms, Behaviour and motivation, Computer logic and essential, Computer systems, Creating web applications, Cybersecurity, Data management, Data science, Digital game prototyping, Game design and production, Games development, Network design, Networks and switching, Pervasive game design, Software development, Sound design and acquisition, User-centered design, Writing for interactive narratives.			
3400235551, 3400235553	Health Science	Hawthorn	July 2015
The major studies for this course now read: Applied statistics, Biomedical sciences, Health across the life span, Health communication, Neuroscience, Psychology and psychophysiology, Psychophysiology.			
3400210071, 3400210073	Health - Dean's Scholarship	Hawthorn	July 2015
The major studies for this course now read: Applied statistics, Community health, Health across the life span, Health communication, Psychology and psychophysiology, Psychophysiology, Public and environmental health.			
3400210081, 3400210083	Health - Vice-Chancellor's Scholarship	Hawthorn	July 2015
The major studies for this course now read: Applied statistics, Community health, Health across the life span, Health communication, Psychology and psychophysiology, Psychophysiology, Public and environmental health.			
3400210231, 3400210233	Information and Communication Technologies - Dean's Scholarship	Hawthorn	July 2015

The major studies for this course now read: Algorithms, Business analysis, Business systems, Computer systems, Cybersecurity, Data science, Games development, Network design, Network technology, Software development, Software technology, Systems management.			
3400234621, 3400234623	Information and Communication Technologies - Vice-Chancellor's Scholarship	Hawthorn	July 2015
The major studies for this course now read: Algorithms, Business analysis, Business systems, Computer systems, Cybersecurity, Data science, Games development, Network design, Network technology, Software development, Software technology, Systems management.			
3400234171, 3400234173	Information and Communication Technology	Hawthorn	July 2015
The major studies for this course now read: Business analysis, Business systems, Network technology, Software technology, Systems management.			
3400210401, 3400210403	Law/Business	Hawthorn	July 2015
The major studies for this course now read: Accounting, Advertising, Asian commercial law, Business administration, Civil procedure and alternative dispute resolution, Commercial law, Company law, Contract law, Copyright, Corporate law, Criminal law and procedure, Economics, Entrepreneurship and innovation, Equity, Federal and state constitutional law, Finance, Human resource management, Information systems, Intellectual property law, International business, International law, Legal practice and professional conduct, Logistics and supply chain management, Management, Marketing, Patents and designs, Property law, Torts, Tourism management, Trade marks, Trusts.			
3400210511, 3400210513	Law/Business Information Systems	Hawthorn	July 2015
The major studies for this course now read: Asian commercial law, Big data and business analytics, Business analysis and system design, Civil procedure and alternative dispute resolution, Commercial law, Company law, Competition law and policy, Contract law, Copyright, Corporate law, Criminal law and procedure, Data management, Equity, Federal and state constitutional law, Intellectual property law, International law, Legal practice and professional conduct, Patents and designs, Property law, Torts, Trade marks, Trusts.			
3400210511, 3400210433	Law/Arts	Hawthorn	July 2015
The major studies for this course now read: Asian commercial law, Australian studies, Chinese, Cinema and screen studies, Civil procedure and alternative dispute resolution, Commercial law, Company law, Competition law and policy, Contract law, Copyright, Corporate law, Creative writing and literature, Criminal law and procedure, Cultural studies, Digital marketing technology, Equity, Federal and state constitutional law, Intellectual property law, International law, International studies, Italian, Japanese, Journalism, Legal practice and professional conduct, Media industries, Patents and designs, Philosophy, Politics, Professional writing and editing, Property law, Social media, Sociology, Torts, Trade marks, Trusts.			
3400210431, 3400210463	Law/Science	Hawthorn	July 2015
The major studies for this course now read: Applied mathematics, Asian commercial law, Biochemistry, Biotechnology, Chemistry, Civil procedure and alternative dispute resolution, Commercial law, Company law, Competition law and policy, Contract law, Copyright, Corporate law, Criminal law and procedure, Environmental science, Equity, Federal and state constitutional law, Intellectual property law, International law, Legal practice and professional conduct, Patents and designs, Physics, Property law, Torts, Trade marks, Trusts.			
3400234661, 3400234663	Mechanical Engineering/Business	Hawthorn	July 2015
The major studies for this course now read: Information systems, Accounting, Business administration, Commercial law, Control engineering, Control systems, Economics, Engineering management, Entrepreneurship and innovation, Finance, Human resource management, International business, Logistics and supply chain management, Machine dynamics, Management, Marketing, Materials and manufacturing, Materials engineering, Mechanical systems design, Mechanics of structures, Solid and fluid mechanics, Thermodynamics, Tourism management.			
3400234591, 3400234593	Robotics and Mechatronics Engineering/Business	Hawthorn	July 2015
The major studies for this course now read: Accounting, Business administration, Commercial law, Computer-aided engineering (CAE), Control and automation, Control systems, Digital signal and image processing, Economics, Electronics, Embedded microcontrollers, Engineering management, Entrepreneurship and innovation, Finance, Human resource management, International business, Logistics and supply chain management, Machine dynamics and design, Management, Marketing, Mechatronics systems design, Object oriented programming in C++, Programming, Project management, Robot system design, Robotic control, Structural mechanics, Tourism management.			
3400234991, 3400234993	Robotics and Mechatronics Engineering/Computer Science	Hawthorn	July 2015
The major studies for this course now read: Algorithms, Computer systems, Computer-aided engineering, Control and automation, Control systems, Cybersecurity, Data Science, Digital signal and image processing, Electronics, Engineering management, Machine dynamics and design, Mechatronics systems design, Network design, Object oriented programming, Programming, Project management, Robot system design, Robotic control, Robotics, Software engineering, Structural mechanics.			
3400234371, 3400234373	Science	Hawthorn	July 2015
The major studies for this course now read: Applied mathematics, Biochemistry, Biotechnology, Chemistry, Environmental science, Physics.			
3400210091, 3400210093	Science - Dean's Scholarship	Hawthorn	July 2015
The major studies for this course now read: Applied mathematics, Biochemistry, Biotechnology, Chemistry, Environmental science, Physics.			
3400210101, 3400210103	Science - Vice-Chancellor's Scholarship	Hawthorn	July 2015
The major studies for this course now read: Applied mathematics, Biochemistry, Biotechnology, Chemistry, Environmental science, Physics.			
3400210321	Secondary Teaching	Hawthorn	July 2015
The major studies for this course now read: Applied mathematics, Applied statistics, Chinese, Indigenous education and perspectives, Information Technology, Innovation for education, Italian, Japanese, Learning and development, Literature, Mathematics, Product design and technology, Research methods for teachers, Secondary teaching, Teaching in the digital age, Teaching methods, Theories of teaching, Understanding and supporting behaviour, Visual communication design.			
3400210341	Secondary Teaching/Arts	Hawthorn	July 2015
The major studies for this course now read: Australian studies, Chinese, Cinema and screen studies, Creative writing and literature, Cultural studies, Digital marketing technology, Education studies, Environmental sustainability, History, Indigenous education and perspectives, International relations and security, International studies, Italian, Japanese, Journalism, Learning and development, Literacy and numeracy, Literature, Media industries, Philosophy, Politics, Professional writing and editing, Research methods for teachers, Social media, Sociology, Teaching in the digital age, Theories of teaching, Understanding and supporting behaviour.			
3400210311	Secondary Teaching/Business	Hawthorn	July 2015
The major studies for this course now read: Commercial law, Curriculum studies, Economics, Human resource management, Indigenous education and perspectives, Information systems, Innovation for education, Learning and development, Literacy and numeracy, Marketing, Research methods for teachers, Secondary education, Teaching in the digital age, Theories of teaching, Understanding and supporting behaviour.			
3400210331	Secondary Teaching/Science	Hawthorn	July 2015
The major studies for this course now read: Applied mathematics, Biochemistry, Biotechnology, Chemistry, Environmental science, Indigenous education and perspectives, Innovation for education, Learning and development, Literacy and numeracy, Physics, Research methods for teachers, Teaching in the digital age, Theories of teaching learning and development, Understanding and supporting behaviour.			

University of Melbourne			
3800538231, 3800538233	Music	Parkville	July 2015
The major studies Interactive composition and Jazz and improvisation have been added to this course.			
3800539041, 3800539043	Music (Chancellor's Scholars Program)	Parkville	July 2015
The major studies Interactive composition and Jazz and improvisation have been added to this course.			

Corrections

RMIT University STAT statement

The VTAC Guide 2016 contains an incorrect statement from RMIT University regarding use of the STAT (page 34). It should read as follows:

Applicants for courses that list STAT as a selection requirement at RMIT must sit STAT Multiple Choice if:

- They have no prior secondary school (Year 12), VET qualifications or work experience that can be considered for entry, or where these do not meet the minimum entry requirements for the course, and
- They are 19 years of age or older (as at 1 January 2016) and have not been enrolled in secondary studies for at least two years.

STAT results will not be considered for selection to RMIT University courses if you:

- Do not meet the prerequisites for a particular course (except for Year 12 English and Year 11 mathematics). Applicants must meet these prerequisites with equivalent study.

Please check individual course entries carefully to determine which courses consider the STAT Multiple Choice.

For more information: www.rmit.edu.au/study/applying-to-rmit/pathways/stat

Change of preference dates

The print edition of the VTAC Guide 2016 contains incorrect dates for change of preference for graduate entry teaching courses and international applicants.

Change of preference will close to international applicants on 16 December (4pm) and will reopen on 4 January (10am-4pm).

Change of preference will close for graduate entry teaching courses on 30 November (4pm) for main round offers and will reopen between rounds from 14 January 2016 (10am) to 10 February 2016 (4pm).

For a full list of Change of Preference dates see: <http://vtac.edu.au/dates.html>

SEAS at Navitas College of Public Safety

Please note that the summary table of institutions and SEAS categories published in the VTAC Guide 2016 (page 42) and the VTAC eGuide 2016 incorrectly states that the Navitas College of Public Safety will recognise under-represented schools as part of SEAS category 1.
